

Enzymatic Treatment

This advanced treatment combines gentle, yet powerful enzymatic and AHA exfoliation with unparalleled antioxidant and anti-inflammatory benefits. The result is bright, glowing, and strengthened skin.

Key Benefits

- ✓ Papaya enzymes, tartaric acid, and lactobionic acid greatly improve skin texture and deliver gentle skin-smoothing benefits
- ✓ Resveratrol, grape fruit stem cell extract, grape seed oil, and grape seed extract work synergistically to provide powerful anti-aging and antioxidant benefits
- ✓ Designed to provide overall skin brightening and an immediate post-treatment glow

Key Ingredients

- + **Carica Papaya (Papaya) Fruit** – an advanced ingredient that contains the proteolytic fruit enzyme papain, which is widely used for its gentle exfoliating properties. Papaya fruit is also known to be an effective skin-purifying ingredient.
- + **Tartaric Acid** – an alpha hydroxy acid that encourages exfoliation.
- + **Pichia/Resveratrol Ferment Extract (Vitamin E)** – a powerful antioxidant that reduces inflammation, stimulates collagen deposition to strengthen the extracellular matrix, and brightens skin. Resveratrol affects energy metabolism and mitochondrial function and serves as a calorie restriction (CR) mimetic to induce anti-aging effects and confer cell longevity.
- + **Vitis Vinifera (Grape) Fruit Cell Extract** – an important antioxidant from the stem cells of grapes that works to protect epidermal stem cells from damage.

Skin Type

- Dry
- Oily
- Combination
- Normal
- Sensitive

Ingredients

Carica Papaya (Papaya) Fruit, Water/Aqua/Eau, Alcohol Denat., Lactobionic Acid, Tartaric Acid, Polysorbate 20, Polyacrylate Crosspolymer-6, Phenoxyethanol, Sodium Hydroxide, Benzyl Alcohol, Isomalt, Glycerin, Sodium Gluconate, Caprylhydroxamic Acid, Rosmarinus Officinalis (Rosemary) Leaf Oil, Eucalyptus Globulus Leaf Oil, Pichia/Resveratrol Ferment Extract, Mentha Arvensis Leaf Oil, Resveratrol Dimethyl Ether, Vitis Vinifera (Grape) Seed Oil, Ethylhexylglycerin, Vitis Vinifera (Grape) Seed Extract, Citric Acid, Hamamelis Virginiana (Witch Hazel) Water, Lecithin, Vitis Vinifera (Grape) Fruit Cell Extract, Alcohol.

Full: 1.95 fl oz/58mL | Trial: 0.27 fl oz/8mL

Results you can see

PCA SKIN®'s rigorous product development process includes partnering with dermatologists to test the effectiveness of each formula before it's put on the market. Our before and after photos are a sampling of the results seen during this process. These photos are never retouched.

Pro Tips

Enzymatic Treatment is not just a stand-alone treatment, it can also be used in conjunction with our therapeutic masks, peel alternatives, and chemical peels to maximize treatment results.

Use with steam to enhance product penetration and natural circulation for an instantly brighter complexion.
